## Our parent company

OneSavings Bank is a specialist lender focused on carefully selected sub-sectors of the lending market.

Its main focus is specialist mortgage products, supported by an established and stable retail savings franchise. Its dedication to building long-term customer relationships has consistently delivered high customer satisfaction scores.

OneSavings Bank plc ('OSB') began trading as a bank on 1 February 2011 and was admitted to the main market of the London Stock Exchange in June 2014 (OSB.L). OSB joined the FTSE 250 index in June 2015.

OSB is a specialist lending and retail savings group authorised by the Prudential Regulation Authority, part of the Bank of England, and regulated by the Financial Conduct Authority and Prudential Regulation Authority.

OSB primarily targets underserved market sub-sectors that offer high growth potential and attractive risk-adjusted returns in which it can take a leading position and where it has established expertise, platforms and capabilities. These include private rented sector buy to let, commercial and semi-commercial mortgages, unregulated bridging loans, residential development finance, bespoke and specialist residential lending and secured funding lines. OSB originates organically through specialist brokers and independent financial advisers. It is differentiated through its use of high skilled, bespoke underwriting and unique low cost base.

OSB is predominantly funded by retail savings originated through the long established Kent Reliance name, which includes online and postal channels, as well as a network of branches in the South East of England. Diversification of funding is currently provided by securitisation and participation in the Funding for Lending Scheme.
