Important things to note

If the below guidance isn't adhered to (e.g., the property is occupied or doors have been left closed), the surveyor may not go ahead with the valuation but will still charge the valuation fee for the on-site visit.

Physical valuations - for buy to let and HMO/ MUFB up to six bedrooms/units

A physical valuation will be sourced from Connells via the standard process.

Connells has issued prescriptive guidance to follow around inspection protocols, which you can find here <https://www.interbay.co.uk/media/1486/property-inspection-protocol.pdf>

Long form valuations

The investment method of valuation will be used. Visit <https://www.interbay.co.uk/media/1435/valuation-fee-scale.pdf> for more information on fee scales and current valuation protocols.
